

KALYVES, CRETE

196 Kalyves

UNDER CONSTRUCTION

THE PROJECT

196 Kalyves is a residential development of 58 residences — studio to penthouse — 196 steps from the coastline in Kalyves, Crete, where the Aegean meets the Lefka Ori mountains. Built from Cretan sandstone and Travertine marble, the development includes dual infinity pools, a yoga studio, gym and spa. The project is under construction, developed by Cretan Coast in partnership with Alef Beta Properties.

DESIGN & CRAFTSMANSHIP

Developed by Cretan Coast, in partnership with Alef Beta Properties — architecture by Nantia, construction delivered with Alpha Omega.
